### **New for Christmas 2011 – vintage fabric Rudolfs**

On a festive note, I'd like to introduce you to my latest creation - vintage fabric Rudolf decorations. Handmade with vintage fabric in shades of amber orange, chocolate brown, pure white and jet black. He's filled with non-allergenic stuffing and has wool felt detailing in shades of chocolate and toffee brown. His look is completed with a bright red button nose. I currently have two versions for sale, one is unscented and the other contains a delicious combination of dried star anise, cinnamon and cloves. I have had lots of fun making the latter as the scent is just amazing.

So far, I have had lots of fabulous feedback for Rudolf from crafting friends and most recently he was featured on the popular Craft Gossip blog, the Cuteable blog and on the UK Handmade Facebook page, which gained lots of thumbs up from their readers!
