**Blog Giveaway**

From the 15th to the 30th June we are offering the opportunity to **win** a gorgeous vintage Liberty fabric peg bag (clothespin bag) on our blog

Now the weather is getting warmer, there's no better way to dry your washing, than to peg it out and let it dry in the breeze

Did you know?

The tumble drier is one of the most energy-hungry appliances in the house

By reducing the number of times you use a tumble drier by just one load per week, you will reduce your carbon emissions by approximately 60kg a year.

And reduce your electricity bill!

**It's really simple to enter!**
