Pouch's website of the month

<http://www.retrotego.com>

At Pouch we are big fans of vintage fabric and kitsch in general, so this blog is perfect for keeping up to date with "all things hip and retro".

With categories ranging from 'retro rooms' through to 'junkshop gems', there's something to capture the imagination of all vintage addicts!

There's even an online forum to chat about retro finds. So if you need to identify an item you have bought, need a valuation or just want to chat about vintage stuff in general, check out this link for more details:

See you in October!
